

More than just cables

Reduce Costs – Increase Profits

Save money and improve your bottom line! Power Cabling's buying power and specialized production process allows us to supply you with UL Listed power distribution cables at a price below your raw material costs!

Blueprint Reading - Panel Schedules

Power Cabling can further reduce your costs by interpreting your blue prints, doing "take-offs" and generating accurate, balanced power panel schedules.

Cost Comparison

NEMA L5-30R 50' ASSEMBLY

	Do It Yourself	Power Cabling
